## PROJECT EXPERIENCE

**Carnegie Mellon Racing** Pittsburgh, PA  
Member, Finance Team 08/2024-present

- Work with a team of 12 allocating a \$150,000 budget to 5 departments through constant management of project timelines and needs, thus allowing for an increase in rollover budget.
- Through extensive cold calling, cold emailing, and presentations, our team acquired Costco, Ford, GM, and other companies and grants as sponsors with \$5,000+ secured and \$20,000 tentative.

**Emerald Hackfest Hackathon, Multiple themes** Bellevue, WA  
Chair 2021-2024, Communications Officer 2019-2021 07/2019-9/2024

- Managed a board of 6 for all operations, initiating the first biannual, in-person event after 3 years of virtual hackathons, with 150+ participants each through social media posts, in-person talks, and club collaborations.
- Networking with local businesses and larger retailers, I fundraised \$10,000+ in prizes from various sponsorships, donations, and collaborations with startups allowing us to further promote our hackathon. This resulted in a 75% increase in participants.

## PROFESSIONAL EXPERIENCE

**Givology Online peer-to-peer donation platform** Pittsburgh, PA  
Business Intern 2024 09/2024-present

- Led a team of 4 to plan, create, and execute 15 awareness and fundraising events with high-school chapters resulting in a 20% increase in donations.
- Utilized excel to create and monitor a database of our grants and use this to apply to 25 available corporate and foundation grants for Givology resulting in over \$10,000 worth of grants.
- Worked with CFO to prepare financial reports to organize donations to projects resulting in over 95% of projects being adequately funded.

**Bellevue Aquatic Center** Bellevue, WA  
On-site Manager 2023-2024, Swim Instructor 2022-2024, Lifeguard 2021-2022 07/2021-8/2024

- Extended pool hours and increased staffing during family swim and therapy pool time to accommodate high demand and created an online tracker/waitlist for live attendance tracking and spot holding resulting in decreased wait times.
- Revived private swimming lesson programs through negotiating pool time, gathering and training instructors, and marketing the program resulting in 30 lessons per week.
